## Limited Edition Wine List

DOMAINE  
HENRI GOUGES

### *Nuits Saint Georges - Domaine Henri Gouges 2021*

A lovely, brilliant crimson colour. A very earthy Nuits nose with some vanilla bean, too. On the palate, smoky, velvet-textured fruit without any tannin, but acids take their place, so the wine is nicely balanced. Not heavy, but a very elegant Pinot expression at the end, perfect for fish & poultry dishes.

### *Margaux Chateau Kirwan, 2000, Grand Cru Classé*

*A highly-extracted, rich, medium-bodied wine with a deep ruby/purple colour & a ripe cassis fruit intermixed with a touch of new oak, prunes & spine. The wine has come together nicely since I first tasted it from cask. It appears to be an excellent nearly outstanding effort, there is moderate tannin in the finish.*

LA PÈIRA

### *La Pèira en Damaisela Les Terrasses du Larzac 2019*

La Pèira is predominantly Syrah (from 25-year-old vines), with some Grenache (28-year-old vines). It comes from a plot called Bois de Pauliau, adjacent to the estate buildings, in the Terrasses du Larzac appellation. A unique wine, whose striking mineral dimension draws you in. Perfect to enjoy on its own or with a selection of cheese.

### *Gevrey Chambertin, Clos Du Fonteny, Bruno Clair 1er Cru 2021*

Gorgeous damson and Victoria plum fruit crisp & sweet, wrapped in a dense silky texture. Smooth & sophisticated but also showing the heard & body you'd expect from Gevrey. Ripe but with a clarity & vitality that prolongs the finish.
